Do we really need GEMS for this meeting. I have not briefed Mark, Ed is out this week for remedy questions, and our DAG already gave us his opinion and was going to share that with your attorney. I did not hear back recently on this from him or Mike. So, I'd prefer to move this issue to a call in the future when we have adequately briefed Mark. We could spend a quarter of the meeting on this one issue alone...

Here's a draft. Please fill in the Proposed Plans you want to add and any other changes and send it back so I can pass it out to folks here.

Thanks,  
Fred
